NOTE: Please use the addresses of the Compiler on this page, some may have moved, etc. since they sent their charts. (Sometime they do not move, and the Postal Service (or town) changes their street, or something!) Everyone is encouraged to write the Compiler, if you can help (with even a tiny clue!) additional information, correction, especially if your line seems to be the same, etc.) Most everyone has much more information in their file, and most are happy to share with others. Be sure to include a self addressed stamped envelope, (S.A.S.E.) 20¢ now...if you hope for an answer to any genealogical question.

We have tried to use all the Charts that would possibly photo-copy (we do not have a typing service (nor a way to correct your chart, once it is received in our office... try to make sure your information is correct, before you release it). If a mistake is made and later discovered, we will try to make a NOTE in our ARKANSAS FAMILY HISTORIAN QUARTERLY. This is not the best system, but after anything is published, that is the way it is!

NOTE: All Ancestor Chart Volumes are still \$3. each, until further notice. Postal rates continue to increase along with other supplies, so we will need to watch for the future! Order from: AGS, 4200 "A" Street, Little Rock, Arkansas 72205

The 75 counties of Arkansas were for the most part given their official names in honor of some national or state leader who figured in the early peace or wartime history of the state and federal governments. However, several received their designations from the names of rivers, natural formations or in commemoration of the Declaration of Independence and the union of colonial states. Dates of their creation and distinguished men or highlights in history for which their counties were given their names was copied from an old newspaper (date unknown) but possibly the newspaper was the Arkansas Gazette, published in Little Rock, Arkansas.

EDITOR'S NOTE At least one County History has been published, for most of these counties. Write the Library of the county (Enclose self addressed stamped envelope - S.A.S.E.) for the address to buy or at least research.
