If a mistake is made and later discovered, we will try to make a NOTE in our ARKANSAS FAMILY HISTORIAN QUARTERLY. You may up-date your Chart after a reasonable length of time, if you can add a noticeable amount of information (just send another chart and mention it is an up-date from (the number, your chart was given). The 75 counties of Arkansas were for the most part given their official names in honor of some national or state leader who figured in the early peace or wartime history of the state and federal governments. However, several received their designations from the names of rivers, natural formations or in commemoration of the Declaration of Independence and the union of colonial states. Dates of their creation and distinguished men or highlights in history for which their counties were given their names was copied from an old newspaper (date unknown) but possibly the newspaper was the Arkansas Gazette. published in Little Rock, Arkansas.

EDITOR'S NOTE At least one County History has been published, for most of these counties. Write the Library of the county (Enclose self addressed stamped envelope - S.A.S.E.) for the address to buy or at least research.
