To this date, there are 23 volumes of ancestor charts. These are gathered, as members and readers find time to compile and send them to us. This is another project of our Society. These are published as they become available, and when our finances and time will permit. This is a great way to make contacts with others working on the same families, many clues as well as information have been gained from these charts.

PLEASE CONTACT THE COMPILER if you can add or correct any of this information!

OUR MANY THANKS TO MRS. EMOGENE TINDALL for using her computer to index this Volume for us!

The 75 counties of Arkansas were for the most part given their official names in honor of some national or state leader who figured in the early peace or wartime history of the state and federal governments. However, several received their designations from the names of rivers, natural formations or in commemoration of the Declaration of Independence and the union of colonial states. Dates of their creation and distinguished men or highlights in history for which their counties were given their names was copied from an old newspaper (date unknown) but possibly the newspaper was the Arkansas Gazette, published in Little Rock, Arkansas.

EDITOR'S NOTE. At least one County History has been published, for most of these counties. Write the Library of the county (Enclose self addressed stamped envelope - S.A.S.E.) for the address to buy or at least research.
